

IES EXPOSURE DRAFT: RESPONSE TEMPLATE

RESPONSE TEMPLATE FOR THE ED OF THE PROPOSED REVISIONS TO IES 6 – INITIAL PROFESSIONAL DEVELOPMENT – ASSESSMENT OF PROFESSIONAL COMPETENCE

Guide for Respondents

Comments are requested by **July 24, 2024**.

This template is for providing comments on the Exposure Draft (ED) of proposed revisions to International Education Standard 6 – Initial Professional Development – Assessment of Professional Competence, in response to the questions set out in the Explanatory Memorandum (EM) to the ED. It also allows for respondent details, demographics and other comments to be provided. Use of the template will facilitate IFAC's automated collation of the responses.

You may respond to all questions or only selected questions.

To assist our consideration of your comments, please:

- For each question, start by indicating your overall response using the drop-down menu under each question. Then below that include any detailed comments, as indicated.
- When providing comments:
 - Respond directly to the questions.
 - Provide the rationale for your answers. If you disagree with the proposals in the ED, please provide specific reasons for your disagreement and specific suggestions for changes that may be needed to the requirements, application material or appendices. If you agree with the proposals, it will be helpful for IFAC to be made aware of this view.
 - Identify the specific aspects of the ED that your response relates to, for example, by reference to sections, headings or specific paragraphs in the ED.
 - Avoid inserting tables or text boxes in the template when providing your responses to the questions because this will complicate the automated collation of the responses.
- Submit your comments, using the response template only, without a covering letter or any summary of your key issues, instead identify any key issues, as far as possible, in your responses to the questions.

The response template provides the opportunity to provide details about your organization and, should you choose to do so, any other matters not raised in specific questions that you wish to place on the public record. All responses will be considered a matter of public record and will ultimately be posted on the IFAC website.
